Kayley Hill has a beautiful voice and a real talent for weaving a story that has an old school Taylor Swift vibe. Her new single 'You're Her Man' is no different and the Nashville native is well on her way to becoming a global sensation. If she keeps releasing music as good as this track, then she will be a crossover star in no time at all. 'You're Her Man' is a lyrical work of art.

"Kayley Hill is an heir to the Dolly Parton sound, with a sweet, clear, cut-through voice and a whole lot of power. Her country and rockabilly sensibilities are contemporary: she's equally at home throwing in a very complex soul melisma as she is working that break between registers or occasionally yodeling as if she were born to do it."
